**G.O.Ms.No. 55**

**Dated: 31-05-2010**

Read :-

From Engineer-in-Chief (Irrigation). Hyderabad, Lr.No. ENC(I)/DCE.IV/  
OTM5/S1/960/08, dt. 15-7-2009.

**ORDER:**

The Engineer-in-Chief (Irrigation), Hyderabad, in his letter read above, has stated that the Commissioner of Industries have forwarded common application with the Nodal Agency of SLSWCC based on representation of M/s Jaypee Cement Ltd., Sy.No. 99, Budhawada (V), Jaggaiahpet (M), Krishna District for permission to draw water from Krishna River and requested to communicate the decision of the Irrigation Dept. to the Nodal Agency for placing the matter before SLSWCC. The Engineer-in-Chief (Irrigation) has also stated that the Superintending Engineer, Irrigation Circle, Vijayawada in his letter No. SE/IC/VJA No.DB/JTO6/EMC(I)/201/, dt. 12-5-2009, has reported that the total requirement of water to the Industry is 5000 KL/day for industrial usage including drinking water which comes to 0.0664 TMC per year at the rate of 2.043 cusecs. It is further stated that the modernization of Krishna Delta is under process and after modernization there would be some savings out of the 181.20 TMC of water allocated under KWDT award. Further the Superintending Engineer has reported that there was no savings of water available from allocated water for KDS by KWDT award for allocation to various industries except the surplus water.

2. Government after careful examination of the proposal hereby accord permission to the Engineer-in-Chief (Irrigation) to supply 5000 KL of water per day (0.0664 TMC Per Annum) from Krishna River to M/s Jaypee Cements Ltd., Budhawada (V), Jaggaiahpet (M), Krishna District, for a period of 5 years under consumptive use for Industrial purpose subject to the following conditions:-

1. The concurrence of the District Collector, Krishna for the proposals has to be obtained before drawing the water and taking up the work.
2. The water can be spared subject to the availability of water in the Krishna River.
3. The entire cost of construction of intake well, pump house, pipelines excavation etc., should be born by the industry only.
4. Water meters or suitable measuring devices should be installed by the industry at their own cost to measure the water consumed and should be made available to the department authorities and the representatives of the user shall be present at all time for inspection.
5. The industry should pay the water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate/royalty the permission to draw water shall stands cancelled.
6. The industry shall obtain the prior concurrence from concerned Departments for laying pipeline and for crossing etc.,
7. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government the lease of Government should be paid as fixed by Government only.
8. The industry should make their own arrangements to dispose the treated effluents as per norms of A.P.Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in their natural sources. Necessary clearance

from the A.P. Pollution Control Board are to be obtained in this regard by the firm before drawal of water from the source.

9. The Irrigation Department reserves the right for cancellation of the permission without assigning any reasons thereof.
  10. The Irrigation Department is no way responsible for non-supply of water due to any reasons.
  11. The industry must acquire the private land for installation of pumping arrangements. If the industry proposes to utilize Government land for installation of pump house, necessary permission is to be obtained from the Government for leasing the land and the lease amount as fixed is to be paid by the Industry.
  12. The industry must strengthen the river margin 100 m., from the toe of the River Flood Bank.
  13. The industry has to lay CC(1:4:8) before laying the pipeline and CC(1:2:4) over the pipeline refill the pipeline with proper soils and consolidate the banks as directed by the Department.
  14. The industry has to construct CC walls to avoid leakage at pipeline crossings.
  15. The water drawn from the Krishna River should be utilized for the purpose for which permission is granted. Any misuse on this account shall entail cancellation for the permission without any notice and liable for imposition of penalty.
  16. The industry should follow the Revenue Board Standing orders.
  17. The industry shall pay security deposit at 2.5% on five years water charges for which permission is granted.
  18. The permission accorded shall be for a period of 5 years. The permission shall have to be renewed well in advance before the expiry of permission.
  19. The industry shall pay one year water charges as advance and any amount due to the department before entering into agreement.
  20. The Industry should pay water charges as per G.O.Ms.No. 39, I & CAD Dept. dt. 2-4-2002 at the rate of Rs.1.50 per 1000 gallons as the water is used for consumptive use or at the revised rates fixed by Government from time to time.
  21. The Industry should make its own arrangements for summer storage in their premises only.
  22. The Industry has to concluded agreement with the officers concerned of Irrigation Department.
  23. The Industry shall abide by any other conditions laid down by the Government/Department from time to time.
  24. The Industry has to pay the water charges for the estimated quantity in advance at the start of the financial year i.e., before 10<sup>th</sup> April every year as per BSO
  25. The consumptive utilization of 5000 KL per day (0.0664 TMC per year) as required should not exceed under any circumstances.
  26. The Department is no way responsible for any damages that may occur to the off take point due to floods in Krishna River or on account of any other reasons.
  27. The permission does not confer any riparian right to the industry.
  28. Non-adherence to any of the above conditions by the industry will entail cancellation of the permission.
3. The Engineer-in-Chief (Irrigation), Hyderabad, shall take necessary further action accordingly in the matter.
